

## **St. Louis Region Special Fishing Regulations**

Since fishing and boating regulations vary, please check the posted regulation signs before fishing. Statewide regulations apply for all St. Louis area lakes and streams, except for those listed below and the Red Ribbon Trout and Stream Black Bass and Rock Bass Special Management Areas in the Meramec River Watershed (including Big and Bourbuese rivers and their tributaries). Please review these stream regulations in MDC's "A Summary of Missouri Fishing Regulations" booklet, which you can find at [mdc.mo.gov/node/11414](http://mdc.mo.gov/node/11414) or at most sporting goods stores.
